Message from the President

I am honored to serve as the TxATE president this year. My service in TxATE and its affiliated organizations has resulted in the development of many friendships, as well as many collaborative service and learning opportunities across the nation. I do hope you plan to attend the 2020 ATE Annual Meeting in Atlantic City in February where we will celebrate the 100th anniversary of ATE, and then join us in June at the 2020 TxATE Conference and Joint Summer Meeting. These are great ways to meet up with a fantastic group of people!

Please help to bring value to our membership by mobilizing our voice as an organization. Join one of the four Advocacy Groups focused on imperative issues within Teacher Education in Texas. Advocacy groups include Policy, Data, Dispositions, and Recruitment & Retention.

Please read our *Membership Overview* on the TxATE website to get a full understanding of how your organization can benefit from membership. If you are not a member, I welcome you to join us. Being a TxATE member has tremendous benefits to you and your organization!

I'll see you soon!

THE DISTINGUISHED CLINICIAN AWARD

We all know the importance of a great mentor in the development of teacher candidates. Help TxATE acknowledge the priceless contributions in-service teachers make to our candidates through a nomination for the TxATE Distinguished Clinician Award.

This award is presented to a public school teacher who has demonstrated exemplary service in the field, assisting in the supervision of student teachers and/or student interns.

Nomination narratives should address how the nominee interacts with the student teacher/intern in areas that address specific issues of practice, the development of particular skill sets, and the overall facilitation of growth.

This is a wonderful chance to acknowledge the critical role public school teachers play in the cultivation of the next generation of highly qualified teachers.

Nominations should be sent to kdunlap@twu.edu by April 30, 2020.
